Executive Secretary
Central Intelligence Agency

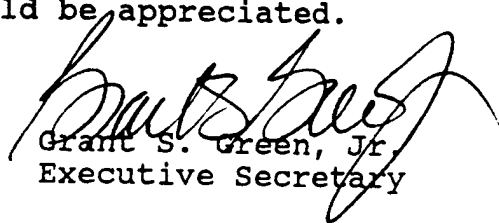

STAT

SUBJECT: Selected National Security Issues Book

Attached for your use and distribution, please find the February 1987 issue of the Selected National Security Issues Book.

This publication provides a concise, unclassified Administration policy assessment on major national security issues. A total of 125 copies are being provided for your use.

Your contributions to this publication have consistently ensured a high caliber product; any comments, suggestions, or additions you have for future issues would be appreciated.

Grant S. Green, Jr.
Executive Secretary
